But it is our will to overcome them that decides how we live With men this is impossible but with God all things are possible Mt 19 26 Father Peter Mary Rookey O S M The healing priest Father Peter Mary Rookey O S M received Christs Gift of Healing in 1948 Since then thousands of healings have been reported worldwide Witness letters some with medical consensus have been submitted to the International Compassion Ministry When asked about the healings Father Rookey simply says I just do what He told us to do and the people are delivered and healed We are answering the last command of Jesus They shall lay their hands upon the sick and they shall recover Mk 16 18 For the first time in his own words Father Rookey explains his lifes journey that has been guided by his constant Yes to God With gentle humor and keen intelligence Father Rookey provides practical direction of how deepening trust in Gods Laws and Love leads to the healing of serious hurts and the overcoming of lifes most difficult challenges In the process Father Rookey says Our souls begin to recognize that we belong to Him and He is Love Ultimately filled with His Love we can give the gift of ourselves to Christ and His Love will come forth through us Nihil Obstat Rev Anthony J Brankin S T L Imprimatur Rev George J Rassas Archdiocese of Chicago November 2005 it is all I can do to put it down There is so much to this book The testimonies of numerous healings are wonderful to read The insights into Fathers life are also wonderful to read But perhaps the most important parts of this book deal with his answers to the insightful questions which the author asks For example in asking Father about spiritual enslavement he talked of conversion and turning away from serving Satan toward serving God Father says Thats what we are about in the healing ministry Although some sickness for example is allowed by God to purify us and sanctify us because there is no prayer no sanctifier like suffering Jesus Himself proved that by suffering terribly and even dying in agony to open the Gates of Heaven for us There is nothing compared with suffering to sanctify and to be a power for good in the world This is just a very small example of the wisdom contained in this book from Father Rookeys heart and mind Often times I had to reread what he said it is so beautiful and touching The numerous pictures throughout the book are amazing This is the first book I have ever read preparing to do a review that I do not feel qualified to review I have known Father Rookey for many years yet had no idea how brilliant a man he is I knew he was a holy man but had no idea the depth of his holiness I knew he healed many people but had no idea how many This book is a treasure Mary Sue Eck Editor Medjugorje Magazine I am 3 4 of the way done I am speechless My prayer life has changed because of this book I often find myself going through the motions at Mass praying as though I should This book has helped me reflect on our religion Mass and the sacraments especially reconciliation The book about Father Rookey has had a deep impact on me Jamie I think it is the best book so far because of the vast amount of spiritual advice and information It should be read daily and the various chapters over and over again to absorb them because of the depth and intelligence of the advice Richard How to Keep a Spiritual Journal Ron Klug,2001-12-01 A comprehensive handbook for starting and keeping a spiritual journal **And You Visited Me** Charles W. Practical Christianity Joseph E. Del Giorno, 2013-03-14 Is Practical Christianity an oxymoron Should the gifts of the Holy Spirit be limited to the rectory basement on Thursday nights Does one have to be Charismatic to be charismatic Practical Christianity Releasing the Holy Spirit says No no and no It puts forth the proposition that those who are baptized into Christ have been given all the gifts the Spirit has to give in potential to be used when and as needed St Paul makes it clear that the gifts of the Spirit are primarily for the benefit of the community but can they not also be used to assist and guide everyday Christians living everyday lives doing everyday things To that Practical Christianity says Yes In an informal manner Practical Christianity spells out how you can access the gifts that were given to you at baptism If you have already asked for the release of those gifts Practical Christianity can assist you in using them to help and guide you when you attempt to make decisions in the Lord You can also learn how to use the gifts to meet the sometimes seemingly overwhelming challenges of daily life Does joy elude you Does peace slither away all too quickly Do you have difficulty maintaining self control Well then read on

Seamands,1985 Alternate title Redeeming the past Inner Healing Mike T. Flynn,Douglas H. Gregg,2009-09-20 This straightforward handbook by Mike Flynn and Doug Gregg shows how God can set a new course for our lives and provides us all the tools necessary to embark on a journey of inner healing Writing from a biblical perspective which seeks to correct common myths and misunderstandings about this vital ministry Flynn and Gregg s work will be valued both by those who want to help their hurting friends and neighbors and by those who are seeking healing in their own lives Letters from Your Father God Maya Graves,2006-06 **Agnes Sanford and Her Companions** William L. De Arteaga,2015-08-17 Agnes Sanford was arguably the most original and spiritually fruitful theologians of the twentieth century Among her achievements were the discovery and development of the inner healing ministry the development of a theology of the light of God missing in Western theology and the first ever theology of nature prayers as in stilling storms She and her husband developed a school to teach ministers and lay leaders healing and deliverance prayer and the gifts of the Spirit a decade before the charismatic renewal made such things acceptable in mainline churches In spite of these achievements she is largely ignored and unrecognized today This work examines her career and shows why her theology though deeply biblical was unacceptable to orthodox critics Sanford was part of a group who worked from the 1900s through the 1960s to make healing and deliverance prayer as normal in church They had to confront the erroneous established theology of cessationism which affirmed that the healing ministry of the church was past
