Healing On The Tenfeather A Love Story:

Healing On The Tenfeather Stephen Gesé,2005-01-01 Some recover from broken relationships and learn to love again some give up and begin the downward spiral toward loneliness Is it fate or are some just luckier than others Might there be healing entities at work around us Spirit guides we only become aware of when we hit bottom Can they reach out and touch us shaking us loose from the grip of our depression and guide us toward a second chance Hundreds of miles from each other Andy and Lynn find themselves reeling from the effects of separate personal crisis and sliding toward self annihilation until the intervention of an ethereal being arrests their actions and gives them renewed hope and direction Subtly aware that an entity from the spirit world is guiding them they begin a collision course toward each other and a new beginning If you believe in second chances you ll enjoy this unconventional meeting and journey back to wholeness As Andy and Lynn learn to overcome their self imposed roadblocks they realize a couple s inner connection is the key to a fulfilling relationship Taking the second chance offered them they find that amid all the absurdities and wickedness in the world there are still enough beautiful spaces in which people can fall in love Feather Fancier ,1974
