Health And Social Care Divide The Experiences Of Older People

Angela Kydd, Tim Duffy, Raymond Duffy

Health And Social Care Divide The Experiences Of Older People:

Working with Older People John Harris, Denise Tanner, 2007-10-11 Working with older people has become an increasingly important part of social work education and practice Whether studying community care adult services human growth and development or social work processes and interventions this book will be a vital source of information and help Working with Older People provides a framework of knowledge skills and values pertinent to qualifying social work courses and the new post qualifying award in Social Work with Adults including discussion of ideas about human development and theories of older age legislation social policy and social welfare skills for working with older people assessment and care planning partnership working Written by two experienced educators and practitioners this key text facilitates individual or group learning through features such as objectives for each chapter case studies and further reading suggestions There are numerous activities throughout the book and the final chapter contains pointers to consider for all of the activities It will be essential reading for social work students and qualified social workers

Social Work with Older People Karin Crawford, Janet Walker, 2008-08-08 This second edition looks in detail at the role of the social worker who engages with older people It enables the reader to develop the key skills required to understand the mental and physical needs of older people in society while encouraging plenty of discussion and critical independent thought Furthermore this book is a source of contemporary research and offers the reader insights into government legislation and policy It is an essential read for any student who wants to develop a distinctive focus on social work with older people

Social Work with Older People Mark Lymbery, 2005-11-03 This book provides an up to date and authoritative overview of the development of social work with older people in the UK The coherent structure draws together the key themes involved in working with older people and clearly demonstrates how to translate these into real life practice Key features of the book include Establishes an understanding of the policy context within which social work takes place with particular attention to key topics such as inter professional collaboration and ethics Goes beyond other textbooks to challenge the restricted nature of social work practice and adopts a positive view of its potential to benefit older people An engaging and practice led approach which includes student friendly features and detailed practice scenarios Satisfies the curriculum benchmarks and National Occupational Standards that structure social work training and practice Written by a leading academic this is a key text for social work trainees Its analytical depth will ensure that it will also be valuable for students undertaking post qualifying courses and for those in related disciplines such as health and community care social policy and social gerontology Its practice based and inter professional approach will mean it is also useful for health and social care practitioners seeking to improve the quality of practice with older people Drawing on both theory and research as well as the author's clear knowledge of current practice this book is able to deal with practice realities in ways which many texts cannot It offers social workers realistic options for how to approach their work Karen Postle University of East Anglia

Social Work with Older People:

Approaches to Person-Centred Practice Barbara Hall, Terry Scragg, 2012-03-16 This accessible book takes a unique person centred approach to working with older people and provides an introduction to the legislation policy theory and research needed by social workers The authors explore the experience of being an older person and how practitioners can work to make positive differences to older people's lives In addition the book Goes beyond the mechanistic care management approaches to social work and encourages the reader to see older people holistically Features case studies and exercises to assist readers in reflecting on their practice Examines a range of contexts and perspectives including sexuality spirituality learning disabilities Encourages wider reflection on the constraints posed by organisations employing social workers and the impact on their practice Provides an up to date exploration of safeguarding issues The authors take into account financial constraints with regard to the care of older people and the impact of a changing demography but remain upbeat and positive about the value of social work intervention Social Work with Older People is relevant for students on placement in adult services or voluntary organizations and social work practitioners working with older people Contributors Gill Butler Rick Fisher Chris Gaine David Gaylard John Gisby Vivienne Killner Andrea Linell Andy Mantell Debbie Smallbones Chris Smethurst Sally Stapleton Graham Tooth Christine Wright

Understanding Health and Social Care Jon Glasby, 2017-01-18 This engaging and accessible text now in its third edition provides a comprehensive introduction to health and social care This new edition has been updated to cover recent developments including the integrated care agenda potential regional devolution and austerity

Intermediate Care of Older People Siân Wade, 2006-02-22 Intermediate care has become a buzzword within health and social care over the last few years Seen as the panacea for a number of woes particularly for older people intermediate care has been held up as a way forward within contemporary health and social care This text explores in detail what is understood by the concept of intermediate care and in particular ways in which the needs of older people can be best met by this new range of services Initial discussion centres on the concept of intermediate care and the motives for its development This is followed by a summary of the range of intermediate care services that have been developed with a discussion of some of the confusion that surrounds the concept The debate then moves on to centre on older people discussing first why older people have come to be perceived as one of the main client groups that may benefit from intermediate care and then how intermediate care could be

developed to better serve their needs An overview of ageing and the uniqueness of older people is then provided followed by an exploration of some of the challenges faced by older people within society and how this has extended into the delivery of health and social care

Hospital Discharge Jon Glasby, 2003 Inefficient and inappropriate discharges of patients from hospitals is a major problem for hospitals social services and primary care This clear and concise guide examines the reasons for difficulties of hospital discharge and considers the possible solutions It provides a comprehensive overview of policy frameworks practice issues and research findings highlighting the range of problematic hospital discharges that can occur Current health and social policies are evaluated and typical individual organisational and structural barriers are examined It is invaluable for all those who have to make informed decisions regarding hospital discharge including doctors nursing managers and healthcare managers throughout primary and secondary care as well as social care managers and staff and policy makers and shapers

anyone working in the field of mental health care for older people should be without a copy on their bookshelf The Health and Social Care Divide Jon Glasby, Rosemary Littlechild, 2004 By focusing specifically on the experiences of older people an especially vulnerable group when divisions emerge between health and social care providers the authors are able to highlight in detail issues and recommendations that are applicable in a wide range of settings *Foundations of Health and Social Care* Robert Adams, 2007-07-20 Written specifically for students and practitioners in health and social care taking foundation degrees or further professional qualifications this textbook offers a wealth of material on contexts knowledge bases skills and practices as well as dealing with work carried out by those involved in treatment therapy advocacy and management Written in very accessible style this very comprehensive book is set to become a core text for all Foundation Degree students within the health and social care field and a very valuable resource for tutors and practitioners in the field **Sharing**

Assessment in Health and Social Care Carolyn Wallace, Michelle Davies, 2009-09-18 This is an accessible and important text It is to be commended for bringing together policy and practice on assessment and information sharing across England Scotland and Wales Professor Michael Preston Shoot University of Bedfordshire This new text is a welcome addition to the literature relating to inter professional working It offers students from a range of professions a comprehensive guide to current social policy and authoritative guidance on how to conduct a safe and effective assessment Soo Moore City University London Shared assessment is the standardised approach to assessment and the sharing of information and documentation within and between health and social care This book offers students and practitioners a step by step guide to the process helping them to overcome some of the anxieties of change and providing realistic guidance on the process Key features of the book include Comprehensive coverage follows a logical structure looking at context policy and practice A focus on the practitioner s understanding of an individual s experience and the roles of staff within the process Discussion of confidentiality and anti discriminatory practice Four chapter long case studies that take the reader through the stages of assessment and subsequent roles and responsibilities The book includes pedagogical features such as a glossary of terms a Comparative Grid for Standardised Assessment Frameworks examples of carers assessments reflective questions and further reading It is essential reading for students and practitioners working across health and social care particularly in social work nursing and mental health **Social Work: Themes, Issues and Critical Debates** Robert Adams, Lena Dominelli, Malcolm Payne, 2017-09-16 Social Work Themes Issues and Critical Debates one of the most respected and widely used textbooks in social work has now been completely revised and updated With its accessible and clearly structured framework the book offers expert discussion of the core topics in social work by top writers teachers and practitioners in the field It provides an essential grounding in the debates that shape the profession as well as a clear insight into the issues at the heart of practice What makes this highly regarded and bestselling book stand out from other texts Its range authority and theoretical integrity Its clear and effective structure which reflects major shifts in teaching and makes it easy to use across modules The

importance it lays on practice based learning and on developing core practice skills such as communication assessment and intervention Its value as a springboard to further reading including extensive guidance on further print and electronic sources Its compact size perfect for readers who are travelling between campus and practice settings This is one of three interrelated books edited by the internationally renowned and widely published team Robert Adams Lena Dominelli and Malcolm Payne The companion books are Critical Practice in Social Work second edition and Practising Social Work in a Complex World Each book can be used alone or in combination with the other two as a uniquely flexible and comprehensive programme of study

Social Work Mark Lymbery, Karen Postle, 2007-04-13 characterise social work courses and the issues involved in continuing professional development

Social Aspects Of Health, Illness And Healthcare Larkin, Mary, 2011-01-01 This book provides a comprehensive and contemporary exploration of a wide range of topics within the social aspects of health illness and healthcare It explores and explains the different relationships between social categories and health different experiences of illness and the role of the healthcare provider in society rear cover

Primary Care and Social Services Kirstein Rummery, 2023-05-31 Health policy emphasises the role of primary and community based services in achieving strategic change throughout the NHS However despite lead roles assigned to social service departments and residential and nursing home care services difficulties remain in achieving closer working relationships This book is a concise guide to the new initiatives in this area including models and practical examples It covers the recent developments encouraging partnerships between health and social care services and is essential reading for all those involved in primary care and the social services especially those with an interest in the care of older people The National Primary Care Research and Development Centre series provides policy makers commissioners managers primary care professionals and user organisations with up to date multi disciplinary research on important issues that inform future decision making for primary care development

Social Work and the Transformation of Adult Social Care Lymbery, Mark, Postle, Karen, 2015-04-15 Reforms as well as cuts in services and finances are part of the everyday fabric of the social work landscape Taking a critical approach to the transformation agenda in social work this book outlines the implications of these changes for adult health and social care Fully informed by theory research policy and legislation it takes a problem based learning approach through the application of case studies explaining and exploring the overlapping roles of social care and social policy The authors argue for the continued significance and importance of social work within the context of adult social care social work they show can make a vital difference in the lives and experiences of many of those who are perceived to be the most vulnerable people in society It is essential reading for students educators and practitioners of social work and social policy and health and social care

Transforming Adult Social Care Ann Marie Gray, Derek Birrell, 2013-04-10 Adult social care has emerged as a distinct policy area in the UK and one which has come under increasing scrutiny by government and other bodies With the expectation that in future many more adults will need care and support ideas have emerged about a

transformation of adult social care The focus of this wide ranging book is on the major themes in policy and provision including personalisation integration user participation the cost of long term care risk and safeguarding care quality and workforce issues and is one of the first texts to deal with adult social care as a distinct entity and is an up to date source on contemporary government policies debates and research The book encourages readers to think critically about decisions being made and about the direction of future policy The accessible book will be a valuable resource for undergraduate students in Social Policy Health and Social Care and Social Work those taking advanced vocational qualifications in social care and practitioners

Practical Budget Management in Health and Social Care William Bryans, Steve Field, 2018-05-08 Practical budget management is at the core of this book As well as giving an insight into the way budgets behave in certain circumstances and what can be done about it the book also deals with practical steps the budget and resource manager can take to eliminate waste and reduce opportunities for fraud and collusion Better budget management means that the organisation can concentrate greater resources on matters that will significantly enhance patient and client care The book identifies the day to day issues that affect managers in health and social services and provides advice and a structured approach that facilitate both comprehension of the problem areas and possible solutions It successfully reduces complex budget issues into manageable chunks with case studies key points tips and worked examples to aid understanding It offers practical assistance to managers tutors students board members and other health and social care professionals The book is third in a trilogy which provides practical solutions to the complex problems of resource financial and budget management in health and social care Managing in Health and Social Care provides essential checklists for frontline staff is about process quality in financial and business management It concentrates on doing the right thing first time every time Resource Management in Health and Social Care essential checklists is about matching available resources to the environment It deals with workplace and environmental problems associated with resource scarcity Although there may be constant change to organisation and structures great improvements in care treatment and technology and ever more sophisticated ways of funding health and social care the actual act of spending money will always be the responsibility of budget managers who are in the front line This book identifies the day to day issues that affect managers in health and social services and provides advice and a structured approach that facilitate both comprehension of the problem areas and possible solutions William Bryans in the Introduction

What is Professional Social Work? Malcolm Payne, 2006-07-26 What is Professional Social Work is a now classic analysis of social work as a discourse between three aspects of practice social order therapeutic and transformational perspectives It enables social workers to analyse and value the role of social work in present day multiprofessional social care This completely re written second edition explores social work s struggle to meet its claim to achieve social progress through interpersonal practice Important features of this new edition include practical ways of analysing personal professional identity understanding how social workers embody their profession in their practice with

other professionals detailed analysis of current and historical documents defining social work and social care analysis of values agencies and global social work This new edition will stimulate social workers students and policy makers in social care to think again about the valuable role social work plays in society

Health And Social Care Divide The Experiences Of Older People Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Health And Social Care Divide The Experiences Of Older People PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Health And Social Care Divide The Experiences Of Older People PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual

property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Health And Social Care Divide The Experiences Of Older People free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Health And Social Care Divide The Experiences Of Older People Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Health And Social Care Divide The Experiences Of Older People is one of the best book in our library for free trial.
