Health And Illness A Cross Cultural Encyclopedia:

Health and Illness David Levinson, Laura Gaccione, 2024 Encyclopedia of Medical Anthropology Carol R. Ember, Melvin Ember, 2003-12-31 Medical practitioners and the ordinary citizen are becoming more aware that we need to understand cultural variation in medical belief and practice. The more we know how health and disease are managed in different cultures the more we can recognize what is culture bound in our own medical belief and practice The Encyclopedia of Medical Anthropology is unique because it is the first reference work to describe the cultural practices relevant to health in the world's cultures and to provide an overview of important topics in medical anthropology. No other single reference work comes close to marching the depth and breadth of information on the varying cultural background of health and illness around the world More than 100 experts anthropologists and other social scientists have contributed their firsthand experience of medical cultures from around the world Encyclopedia of Immigrant Health Sana Loue, Martha Sajatovic, 2011-11-25 This encyclopedia adopts a biopsychosocial historical approach to immigrant health with a focus on immigrant populations in and immigration to magnet countries Extensive references to worldwide trends and global issues are made throughout its entries Routledge International Encyclopedia of Women Cheris Kramarae, Dale Spender, 2004-04-16 For a full list of entries and contributors sample entries and more visit the Routledge International Encyclopedia of Women website Featuring comprehensive global coverage of women s issues and concerns from violence and sexuality to feminist theory the Routledge International Encyclopedia of Women brings the field into the new millennium In over 900 signed A Z entries from US and Europe Asia the Americas Oceania and the Middle East the women who pioneered the field from its inception collaborate with the new scholars who are shaping the future of women s studies to create the new standard work for anyone who needs information on women related subjects An Introduction to the Geography of Health Helen Hazen, Peter Anthamatten, 2019-11-26 In the second edition of An Introduction to the Geography of Health Helen Hazen and Peter Anthamatten explore the ways in which geographic ideas and approaches can inform our understanding of health The book s focus on a broad range of physical and social factors that drive health in places and spaces offers students and scholars an important holistic perspective on the study of health in the modern era In this edition the authors have restructured the book to emphasize the theoretical significance of ecological and social approaches to health Spatial methods are now reinforced throughout the book and other qualitative and quantitative methods are discussed in greater depth Data and examples are used extensively to illustrate key points and have been updated throughout including several new extended case studies such as water contamination in Flint Michigan microplastics pollution West Africa s Ebola crisis and the Zika epidemic The book contains more than one hundred figures including new and updated maps data graphics and photos The book is designed to be used as the core text for a health geography course for undergraduate and lower level graduate students and is relevant to students of biology medicine

entomology social science urban planning and public health An Introduction to the Geography of Health Peter Anthamatten, Helen Hazen, 2011 The book provides an accessible introduction to this rapidly growing field covering theoretical and methodological background The text is divided into three sections which consider distinct approaches and techniques related to health geographies Section one introduces ecological approaches with a focus on how natural and built environments affect human health For instance how have irrigation projects influenced the spread of water borne diseases How can modern healthcare settings such as hospitals affect the spread and evolution of pathogens Section two discusses social aspects of health and healthcare considering health as not merely a biological interaction between a pathogen and human host but as a process that is situated among social factors which ultimately drive who suffers from what and where disease occurs Section three then considers spatial techniques and approaches to exploring health giving special focus to the growing role of cartography and geographic information systems GIS in the study of health Ed Cultural Encyclopedia of the Breast Merril D. The Medicalisation of Incest and Abuse Carolina Borda-Niño-Wildman, 2017-11-22 Combining biomedical psychological and anthropological approaches to intergenerational incestuous violence experienced by rural indigenous and peasant

women in the Andean region this book raises new questions surrounding humanness and the normalisation of sexual violence Through original ethnographical research the author analyses Andean understandings of incest medical positivist practices as well as the psychiatric treatment of incestuous and gender based violence. The book examines the implications that psychiatric institutionalisation within the context of interethnic gender and class schemes has on what it means to be human It also draws on a theoretical framework in order to understand how discourses shape and are simultaneously problematized by individual experiences of sexual violence and incest Intergenerational incestuous violence against women is not necessarily an exceptional event but can be an ordinary process one where through the articulation of biomedical and indigenous medicine as well as indigenous and mestizo forms of administration of political power women as subjects can become possible This book will appeal to scholars and students with an interest in gender based violence as well as mental health practitioners and academics in Latin American studies anthropology gender studies and sociology Encyclopedia of Aging Richard Schulz, 2006 Print CourseSmart Cross-Cultural Psychology John W.
