## **Edgar Cayce On The Indigo Children Understanding Psychic Children:**

Edgar Cayce on the Indigo Children Peggy Day, Susan Gale, 2004      *Psychic Children* Peggy Day, Susan Gale, 2004-11

The late twentieth and early twenty first centuries have heralded the birth of many special children who exhibit unique sensitivities and abilities This book shows how these children can be recognized and nurtured as the special people they truly are      *The Cultural Construction of Monstrous Children* Simon Bacon, Leo Ruickbie, 2020-09-30 The Cultural Construction of Monstrous Children raises important questions at the heart of society and culture and through an interdisciplinary trans cultural analysis presents important findings on socio cultural representations and embodiments of the child and childhood At the start of the 21st new anxieties constellate around the child and childhood while older concerns have re emerged mutated and grown stronger But as historical analysis shows they have been ever present concerns This innovative and interdisciplinary collection of essays considers examples of monstrous children since the 16th century to the present spanning real life and popular culture to exhibit the manifestation of the Western cultural anxiety around the problematic anomalous child as naughty dangerous or just plain evil The book takes an inter and multidisciplinary approach drawing upon fields as diverse as sociology psychology film and literature to study the role of the child and childhood within contemporary Western culture and to see the historic ways in which each discipline intersects and influences the other

**The Indigo Children** Beth Singler, 2017-09-18 The Indigo Child concept is a contemporary New Age redefinition of self Indigo Children are described in their primary literature as a spiritually psychically and genetically advanced generation Born from the early 1980s the Indigo Children are thought to be here to usher in a new golden age by changing the world s current social paradigm However as they are paradigm busters they also claim to find it difficult to fit into contemporary society Indigo Children recount difficult childhoods and school years and the concept has also been used by members of the community to reinterpret conditions such as Attention Deficit Hyperactive Disorder ADHD and autism Cynics however can claim that the Indigo Child concept is an example of special snowflake syndrome and parodies abound This book is the fullest introduction to the Indigo Child concept to date Employing both on and offline ethnographic methods Beth Singler objectively considers the place of the Indigo Children in contemporary debates around religious identity self creation online participation conspiracy theories race and culture and definitions of the New Age movement

**THE PSYCHIC CHILDREN - Dolphins, DNA and the Planetary Grid** Hugh Newman, 2007-12-02 Hugh takes us on an adventure from the heights of Glastonbury Tor to the pyramids of Guatemala and the volcanoes of Hawaii After meeting some Indigo children on the spring equinox in Hawaii Hugh was initiated into working on the planetary grid system that included decoding the mysteries of the dolphins and the changes that are happening within our DNA The adventure includes revelations about galactic alignment 2012 and a coming shift in consciousness which the children all know about Join Hugh on this journey as he unlocks the secrets one by one Includes a comprehensive nutritional health guide for Indigo children I am certainly impressed by the eclectic nature of

the material and the skill with which you have integrated the often complex subjects to reveal the greater picture now unfolding

**SIMON PETER FULLER** author of *Rising out of Chaos*      *The Bloomsbury Reader in Religion and Childhood* Anna Strhan, Stephen G. Parker, Susan Ridgely, 2017-01-26

From recent sex abuse scandals in the Roman Catholic Church to arguments about faith schools and religious indoctrination this volume considers the interconnection between the actual lives of children and the position of children as placeholders for the future Childhood has often been a particular site of struggle for negotiating the location of religion in public and everyday social life and children's involvement and non involvement in religion raises strong feelings because they represent the future of religious and secular communities even of society itself The Bloomsbury Reader in Religion and Childhood provides a rich resource for students and scholars of this interdisciplinary field and addresses wider questions about the distinctiveness of childhood and its religious dimensions in historical and contemporary perspective Divided into five thematic parts the volume provides classic contemporary and specially commissioned readings from a range of perspectives including the sociological anthropological historical and theological Case studies range from Augustine's description of childhood in Confessions the psychology of religion and childhood to religion in children's literature religious education and Qur'anic schools Religious traditions covered include Christianity Judaism Islam Hinduism and Buddhism in the UK and Europe USA Latin America and Africa An introduction situates each thematic part and each reading is contextualised by the editors Guidance on further reading and study questions are provided on the book's webpage

**Beyond the Indigo Children** P. M. H. Atwater, 2005-09-29

Connects the arrival of a new type of children with the fulfillment of the Fifth World of the Mayan Calendar and other great prophecies Provides detailed information about the world changes that will take place before and after December 21 2012 Explores the seven root races representing the genetic gene pool of the human family and the phenomenon of soaring intelligence Explains the grand sweep of human evolution and the worldwide ascension of energy now occurring which will take humanity to the next level of development According to prophecy the fifth sun or fifth world of the Mayan calendar moves into a higher octave of vibration or ascension on December 21 2012 This date represents a gateway of planetary development that will open humanity to new ways of living and new worlds of opportunity Ancient traditions have foretold that our successful passage through this gateway depends on the fifth root race new stock in the human gene pool destined to help us through the exciting and massive changes ahead In *Beyond the Indigo Children* P M H Atwater illuminates the characteristics of the fifth root race the capstone being the extraordinary new children those brilliant and irreverent kids born since 1982 She explores the relationship of the new children to the prophecies in the Mayan calendar and other traditions providing extensive background information about the seven root races the sixth and seventh of which haven't yet appeared and the great shifting of consciousness already underway She reveals the connection of the seven root races to the seven chakras and how the fifth chakra the chakra of willpower will be opened for humankind as the new children grow to maturity She also

discusses the phenomenon of soaring intelligence and undeveloped potential and provides concrete guidance and tools for those who seek to understand and help the new children achieve their full potential Beyond the Indigo Children is the first major study of today's children and their place in our rapidly changing world that combines objective research with mystical revelation and prophecy *The Indigo Kid* Martin Avery, 2010-09-25 A novel about a father and son reunion The son was raised by two women One of the women became a man The father went away for a decade to study New Age healing and Zen and returned when the boy was just about ready for high school They spend an amazing incredible healing summer together in Canada **Edgar Cayce on Auras & Colors** Kevin J. Todeschi, Carol Ann Liaros, 2012 Including the well known Auras booklet written by Edgar Cayce T p Befriend the Unknown Ken Foo, 2013-03-08 BOOK SUMMARY Many may get a chill in the spine because they are not here simply to live it up but on a scared mission to purify the planet If you failed to do your bit during this life you will come back again as another person and this come and go scenario could be a hundred times if you are a slow learner The ruins of our world are exposed in dirty politics and the Bible is also under the microscope for not telling the truth regarding the demise of Jesus Christ A must read for those who want truths to be unveiled WHAT READERS ARE SAYING This book has everything our missions on earth mystics karma dirty politics humor and how to balance your life After reading this book it's like being reborn again this time more to love serve and laugh again History is likely to be rewritten as very compelling evidence have surfaced that Jesus Christ was not crucified Scientific Mythologies James A. Herrick, 2008-01-01 What does science have to do with science fiction What does science fiction have to do with scientists What does religion have to do with science and science fiction In the spiritual vacuum of our post Christian West new mythologies continually arise The sources of much religious speculation however may be surprising Author James Herrick directs our attention to a wide range of scientists filmmakers science fiction writers and religious philosophers and discovers there the role that science and science fiction have played in such mythmaking From scientists such as Francis Bacon Francis Crick Carl Sagan and Freeman Dyson to filmmakers such as George Lucas and Steven Spielberg to science fiction writers such as Olaf Stapledon Sir Arthur C Clarke Robert Heinlein and Isaac Asimov Herrick finds a curious collusion of science with science fiction for promoting and justifying alternative spiritualities The rise of these new mythologies he argues is no longer a curiosity at the edge of Western culture This alchemy is catalyzing a religious vision of new gods a new humanity and alien races with superior intelligence and secret knowledge This new mythology overshadows the realms of politics science and religion Should we follow such visions Does science endorse these mythologies Are we being offered a spirituality superior to the Judeo Christian tradition This book will help you decide **Walking in Turbulent Waters** Eliana Bueche, 2013-08-28 Her earliest memory was of the time when she was a tiny baby lifted by strong arms to the light in a train compartment Adriannes adult life is distracted by daydreams of childhood of her powerful uncle Eladio her best childhood friend Tomas and more Looking back she can see every mistake she ever made The uncertainty of her true identity

draws her into a realm beyond imagination She cant even trust her own memory now to help her determine which childhood traumas were real and which were the workings of a mind too young to understand To this day one question haunts her if she could have just accepted the life she was so desperate to leave behind would she be happier today Now her life is defined by her success as a real estate developer an art dealer and an innovative architect with visions of reinventing entire communities that celebrate both function and design simultaneously She drowns her feelings by constantly achieving the impossible often falling prey to her own desiresand the cunning schemes of the unpredictable man who invaded her life When a phone call from Spain sends Adrienne rushing back across the Atlantic can she dare to hope that the answers that had eluded her throughout her life await
