**Dime a Dance** Dustybear, 2007-04-03 This is where it all started the adventures of Dustybear and that rag taggle bunch of sillies nicknamed The Redneck Mafia There he was quietly minding his own business when suddenly into his home and his life came Frankie and Tess Little did he know at that point that by merely listening to their story and maybe getting a book out of it that he would find himself drawn smack dab into the middle of one of the most bizarre and dangerous adventures he could have ever imagined Ahhh but he was Little did he know that he would find himself in so much danger along with Frankie Tess and Ahhh but pretty quick he was Little did he know that this large and very disparate group of people would become such an integral part of his future and his life That they would become as much a part of him almost as life itself and that he his safety and security and his very life would become totally dependent on them Ahhh but Just exactly how did our hapless author our trusty Dustybear get so caught up in all that mystery and intrigue Caught up IN MURDER GASP For that matter how does sweet and innocent Tess come to be so caught up in organized crime while dragging Frankie along with her Then Bear Then Ahhh but Tess is where it all starts But how Why You'll just have to read Dime A Dance to find out Meanie aren't I Dime A Dance Book I Part I The Dance is where it all starts telling the story of Tess beginnings Tess and Frankie's beginnings How they meet and how they find themselves ultimately on the run from the Mafia after they fall in love of course It also introduces the rest of the group including Dustybear It sets the stage for all that is to follow and a wild ride it is Dime A Dance Book I Part II The Plan sees Frankie Tess Bear and The Redneck Mafia going undercover and infiltrating one of the

most powerful organized crime families in the country headed by Antonio Catalafanowith no one in that family the wiser as to their true identitiesor so they think Then what happens Ahhh therein lies the mystery With more twists and turns than a San Francisco street and more thrills than a roller coaster at full throttle Dime A Dance will keep you on the edge of your seat and keep you rooting for the good guys IF you can figure out just exactly who the good guys are and who the bad guys are The lines get blurred and frequently even Dustybear isnt too sureand maybe life just isnt always all that simple Good vs evil Black and white Nope It definitely isnt Not for Frankie and Tess Not certainly for Dustybear Not for Rose and Billy For Ofelia Toneboi Ryan Derek Eric Brenda Elkeand the rest Its a real pandoras box Bear opens that night when he opens the front door of his home in southern Louisiana He opens it to Frankie Tess and Ahhh But therein lies the storydoesnt it So why dont you come along with Bear as he spins a tale of mystery intrigue sex and violence and of courselove I think you will find that you will get as caught up in the story and the characters and all the restas I did when I wrote DIME A DANCETHE SAGA OF FRANKIE AND TESS BOOK 1 Parts 1 and 2 and BOOK 2

Michael Fisher,B. Maria Kumar,2019-06-04 So many nations today large and small are faced with compelling global and local circumstances breaking acute crises and lingering long term chronic problems that demand leaders and followers to cope as best they can However there s a growing suspicion in most everyone s minds from the higher classes to the lower classes across races religions and various differences where there is a deep feeling that something big needs to change From real threats and tragic events like violence crime wars global warming mass extinctions to more specific problems of population densities to health concerns and economic near collapse people know that living in fear is not a quality way to live India is a unique and great nation with its tragic realities in the past and present haunting its future B Maria Kumar born and raised and having worked all his career in the streets knows India well and knows what needs to change He writes from great intellectual acumen an understanding of history and mythology and with vision for a better India He has invited two colleagues to respond to his analysis of problems and solutions each of them Subba a Nepali philosopher and poet living in Hong Kong and Fisher a Canadian philosopher and educator to respond to his views This book brings a trifold synthesis of how the nature and role of

fear is critical to the shaping and destiny of India Not enough development theories or thinking have invoked fear as a major construct to analyze as a new way to interpret culture religion policies plans and governance overall across the world India seems the perfect location to start a new critical and creative consciousness that sets goals that the three authors believe are essential for India to make progress into the twenty first century Growing insecurity uncertainty mistrust and corruption that accompany them is no way to build a nation resilient for the major challenges coming In the face of a daunting task the authors step up boldly into the dimension of vision and realities facing a nation They don't shy away from saying what needs to be named for only then will such honesty clear a path of fearlessness forward This book will serve as a guide for many in India and its allies to rethink the ways they have understood the problems in India's development
