Editors, Publishers and Newspaper Ethics Philip Meyer,1983 *Newspaper Ethics in the New Century* Philip Meyer,2006 As newspaper readership declines and journalistic resources are depleted new kinds of pressures on journalistic ethics are created But this 2005 replication of a 1982 study of newspaper ethics shows that editors and staff members are holding on to their values Editorial autonomy has improved publisher infringement on news coverage has declined and there is less influence from advertisers today As journalism slowly migrates to new electronic platforms this empirical study of current practices and values provides a benchmark against which future performance can be judged **The Bulletin of the American Society of Newspaper Editors** American Society of Newspaper Editors,1983 **Hearings, Reports and Prints of the House Committee on Banking, Currency, and Housing** United States. Fink, 1988 The time is right for bright aggressive newspaper managers to influence and prosper but bleak indeed for those newspapers whose managers lack the requisite knowledge Using case studies and examples from the business Fink shows why some newspapers change with the times and surge ahead and why some continue to publish to an eroding market base and fail The difference between success and failure he concludes is in long range planning and in daily operating methodology in simply the professionalism of management at all levels *Issues in News and Reporting* CQ Researcher, 2017-12-29 Can News Outlets Regain the Public's Confidence Can Governments Control the Press in the Internet Age Should Americans Have a Right To Be Forgotten Written by award winning CQ Researcher journalists this collection of non partisan reports focuses on 12 hot button issues facing journalists and news organizations With reports ranging from perceptions of media bias and threats to free speech *Issues in News and Reporting* promotes in depth discussion facilitates further research and helps readers formulate their own positions on crucial issues And because it's CQ Researcher the reports are expertly researched and written presenting readers with all sides of an issue Key Features Chapters follow a consistent organization beginning with a summary of the issue then exploring a number of key questions around the issue next offering background to put the issue into current context and concluding with a look ahead A pro con debate box in every chapter offer readers the opportunity to critically analyze and discuss the issues by exploring a debate between two experts in the field All issues include a chronology a bibliography photos charts and figures to offer readers a more complete picture of the issue at hand **Good News, Bad News** Jeremy Iggers, 2018-02-12 In *Good News Bad News* Jeremy Iggers argues that journalism's institutionalized conversation about ethics largely evades the most important issues regarding the public interest and the civic responsibilities of the press Changes in the ownership and organization of the news media make these issues especially timely although journalism's ethics rest on the idea of journalism as a profession the rise of market driven journalism has undermined journalists professional status Ultimately argues Iggers journalism is impossible without a public that cares about the common life Written in an accessible style *Good News Bad News* is important reading for journalists communication scholars and students Public dissatisfaction with the news media frequently gives rise to calls for journalists to live up to the ethical standards of their profession But what if the fault lies in part with the standards themselves Jeremy Iggers argues that journalism's institutionalized conversation about ethics largely evades the most important issues regarding the public interest and the civic responsibilities of the press Changes in the ownership and organization of the news media make these issues especially timely although journalism's ethics rest on the idea of journalism as a profession the rise of market driven journalism has undermined journalists professional status Ultimately argues Iggers journalism is impossible without a public

he invited the reporters to a private reception at the Cuban Embassy in Washington where he presented them with engraved gold medals While the medals revealed Castro s perception of the correspondents as like minded partisans the journalists themselves had no such intentions Some had journeyed to Cuba in pursuit of scoops that could rejuvenate or jump start their careers others sought to promote press freedom in Latin America still others were simply carrying out assignments from their editors Bringing to light the disparate motives and experiences of the thirteen journalists who reported on this crucial period in Cuba s history Reporting the Cuban Revolution is both a masterwork of narrative nonfiction and a deft analysis of the tension between propaganda and objectivity in the work of American foreign correspondents Communication Yearbook 26 William B.
