Post-Stabilization Politics in Latin America Carol Wise,Riordan Roett,2003-07-28 Over the last twenty years Latin America has seen a definitive movement toward civilian rule Significant trade fiscal and monetary reforms have accompanied this shift exposing previously state led economies to the forces of the market Despite persistent economic and political hardships the combination of civilian regimes and market based strategies has proved to be remarkably resilient and still dominates the region This book focuses on the effects of market reforms on domestic politics in Latin America While considering civilian rule as a constant the book examines and compares domestic political responses in six countries that embraced similar packages of reforms in the 1980s Argentina Brazil Chile Mexico Peru and Venezuela The contributors focus on how ambitious measures such as liberalization privatization and deregulation yielded mixed results in these countries and in doing so they identify three main patterns of political economic adjustment In Argentina and Chile the implementation of market reforms has gone hand in hand with increasingly competitive politics In Brazil and Mexico market reforms helped to catalyze transitions from entrenched authoritarian rule Finally in Peru and Venezuela traditional political systems have collapsed and civilian rule has been repeatedly challenged The contributors include Carol Wise University of Southern California Karen L Remmer Duke University Carol Graham Brookings Institution Stefano Pettinato United Nations Development Programme Consuelo Cruz Tufts University Juan E Corradi New York University Delia M Boylan Chicago Public Radio Riordan Roett Johns Hopkins University Mart n Tanaka Institute for Peruvian Studies Lima and Kenneth M Roberts University of New Mexico 'Es Necesario Castigar Para Educar?. Mis memorias Manuel Castillo, 2018-10-25 Manuel Castillo fue durante toda su vida un republicano convencido. Desde muy joven se comprometió con un ideal que marcó su trayectoria personal y profesional hasta obligarle a tomar el camino del exilio primero en Francia y definitivamente en México. Pocos días antes de morir redactó un relato autobiográfico en el que reunió sus experiencias durante la España de la Restauración de la Segunda República y del exilio. De su mano se evocan desde la vida en un barrio popular madrileño en tiempos de la Primera República a la lucha política en la Salamanca de los años noventa del siglo XIX pasando por las huellas de su vocación política docente y periodística desarrollada con intensidad en Cáceres y Valencia hasta su huida de España. Finalmente las Memorias de Manuel Castillo permiten a los lectores recordar la quiebra de esperanzas y proyectos que supuso la guerra civil, la derrota republicana y el exilio para varias generaciones de españoles. Su compromiso con la educación y el desarrollo humano ha dejado huella en la sociedad valenciana a través de su legado a la Universitat de València, haciendo posible la creación de su primer órgano de cooperación universitaria al desarrollo el Patronat Sud Nord.
