educación más racional,
práctica y eficaz

5a Edición

Educar Sin Maltratar

Jin-Ying Zhang

Educación Sin Maltratar:

Educación sin maltratar David Solá, 2014-09-01 Educación sin maltratar es un arte que pocos padres consiguen. Como ocurre con otras artes, no es que sea muy difícil o que esté reservado para privilegiados; sencillamente hay que aprenderlo. Cuando se habla de maltrato, no solo nos referimos a la violencia física sino también a la psicológica que de una forma consciente o inconsciente se aplica sistemáticamente a los hijos. Teaching our children without mistreating them is an art that few parents can master. This type of art is not as difficult as other arts and it is not exclusively reserved for privileged people; it simply must be learned. When we speak about mistreating our children, we don't only mean physical mistreatment but also psychological violence that is systematically applied to children consciously or unconsciously. Educación sin maltratar Sergio Isaza, 2009-05-01 Cuando pensamos en la educación de nuestros hijos, ya sea en el terreno profesional o personal, el castigo siempre aparece como uno de los recursos. Definido como la aplicación de estmulos que logren disminuir la presentación de lo que llamamos conductas indeseables, el castigo sigue siendo una forma desagradable y en muchos casos agresiva de educar. Castigamos por impulso, por mal genio, por abuso de poder, por ejercicio de autoridad, siempre pensando que podemos realmente moldear las conductas de nuestros hijos. Si bien nuestro papel como formadores nos exige aplicar consecuencias ante conductas inaceptables para la convivencia en familia y en sociedad, lejos está ese concepto de una necesidad siempre imperativa de castigar, especialmente cuando esto se hace a partir de estmulos que dañan a los niños. Esta precisamente es la disertación que hace el doctor Isaza con su escrito acerca del castigo. De una forma muy amena que nos toca en los ejemplos y que nos hace reflexionar, con cada frase el texto nos lleva de la mano a entender la diferencia entre la tica social que se encuentra detrás del derecho que nos damos de castigar agresivamente a nuestros hijos y una verdadera tica humana en la cual nuestro rol de educadores pasa solamente por ayudar a nuestros hijos a pertenecer a la sociedad sin hacerse daño a ellos mismos ni a los demás o a las cosas que los rodean. Educación hacia la autonomía y la libertad sobre la base del respeto y la aceptación de los demás es la gran lección. **Educación sin maltratar** David Solá, 2008 Educación sin Maltratar David Solá, 2012-04-03 Educación sin maltratar es un arte que pocos padres consiguen. Como ocurre con otras artes, no es que sea muy difícil o reservado para privilegiados; sencillamente hay que aprenderlo. Cuando se habla de maltrato, no solo nos referimos a la violencia física sino también a la psicológica que de una forma consciente o inconsciente se aplica sistemáticamente a los hijos. Generalmente, el comportamiento de los hijos y sus desajustes vienen a ser el resultado o la consecuencia de la educación que han recibido. Los padres a menudo se sorprenden negativamente de las reacciones de los hijos y se sienten culpables. En que hemos fallado es la pregunta habitual. Este libro trata de dar una visión amplia y eficiente de cómo educar a los hijos convirtiendo esta aventura en una experiencia apasionante, enriquecedora y altamente satisfactoria. Educación sin Maltratar David Solá, 2003 Entender y corregir el comportamiento de los niños con amor es el mensaje más importante de este recurso. Los básicos del comportamiento de los niños y el proceso educativo están desarrollados con claridad y aparecen

muy bien identificado el maltrato físico y psicológico y sus consecuencias Esta guía única empieza con una carta a todos los padres de un hijo y termina con una carta de respuesta de todos los padres *Un Niño Con Futuro Es Un Niño Con Límites* Luis Gonzalo Marulanda Lozada, 2019-03-26 Pretender que decirle no a un niño lo pondrá triste es una idea equivocada Todo lo contrario cuando no colocamos límites es cuando creer que no es amado porque lo relacionar con la falta de atención Para desarrollarse requiere pautas y normas que se deben respetar Al dar desmedidas libertades para elegir sumergimos a nuestros niños en un entorno de vacilación Un ejemplo es preguntar a un niño que quiere comer puede ser un gran error porque comunicamos la idea de que nosotros no sabemos algo tan significativo y en ellos se convierte en una idea espantosa de que no podremos protegerlos Un Niño Los Pastoreará Harold C. Segura, 2006-11 **Transmisión de valores desde la educación emocional** Ester Martínez Vera, 2006 *Educación sin violencia* Jorge Luis Ferrari, 2013 **¿QUÉ HAGO CON LA CRIANZA?** MARÍA CAMILA PAPAGAYO, 2023-06-01 Romper mitos aclarar conceptos y brindar herramientas de crianza que les siguen el paso a las tendencias psicoterapéuticas como el mindfulness es el objetivo de este libro que marca el debut editorial de la psicóloga clínica María Camila Papagayo Basándose en el respeto tanto hacia las primeras emociones del menor como hacia las decisiones de sus padres la autora propone una serie de actividades prácticas que acercarán al lector a un abordaje especializado pero bastante digerible de las situaciones cotidianas que se presentan en los procesos formativos y relacionales en el hogar Escuchamos muchas cosas como Déjalo llorar para que duerma solo no puedes criar a un niño miedoso debe ser fuerte si lo cargas cada vez que llora ser un malacostumbrado y no quieres dejar tus brazos Yo te pregunto ¿Estás de acuerdo con todo esto que te dice tu corazón y tu cuerpo cuando lo has intentado explica la también creadora de la plataforma de apoyo para padres educadores y terapeutas Saber Educar Interferencias Parentales Valeria Calderon Bogoslavsky, 2022-07-13 Interferencias parentales De la alienación y el desprestigio hasta otras formas de maltrato realiza una completa exposición de los conflictos y las situaciones de atropello a las que directa e indirectamente son sometidos los menores y alguno de sus progenitores por cuenta de quien fue su dupla y pasará a ser su contrincante por la custodia del o los hijos durante un proceso de separación o divorcio Si bien una de las interferencias más sonadas en el contexto nacional y mundial existe muy poca bibliografía al respecto es la alienación parental este libro no solo se enfoca en ella ni en la falta de consenso sobre la manera de referirse a esta no se trata de un síndrome una enfermedad un fenómeno ni un movimiento social sino que trasciende sus dinámicas y campañas de denigración en contra de uno de los progenitores hacia otras formas de maltrato evidentes durante algunos procesos de separación y consecuente litigio por la custodia Partiendo de una detallada explicación de conceptos como la violencia y el maltrato presentando testimonios confrontando hipótesis y facilitando los recursos para comprender prevenir tratar dichas interferencias parentales este título será clave al tratar de descubrir si en palabras de la autora en casa se lava algo más que la ropa **Educación sin maltratar** Sergio Isaza Villa, 2009 **Dime cómo te castigaron y te diré quién eres** Martha Esperanza Ordoñez Vera, 2011-04-01 Las consecuencias del

castigo físico siempre ser destructivas para las víctimas directas sus familias y la sociedad en general y por ese motivo su desaparición es un compromiso de todos Este libro es fruto de esa convicción y busca que el maltrato infantil sea eliminado no solo desde la normatividad jurídica sino sobre todo desde nuestras costumbres y nuestras conciencias **EL LIBRO**

SECRETO DE LOS INVISIBLES JOHN OSPINA NIETO, 2023-12-21 Perpetuando su llamado a la acción en torno a la inclusión por medio de la diversidad el doctor John Ospina Nieto debuta en la literatura juvenil mediante El libro secreto de Los Invisibles un relato fantástico basado en las experiencias de una población tan real como lo es su lucha constante por la inclusión los neurodiversos o las personas con condiciones físicas y fisiológicas asociadas al desarrollo y a la alteración del mismo en especial los jóvenes con Trastorno del Espectro Autista TEA De la mano de su hijo Juan Diego Ospina Posada el principal promotor del reconocimiento de la diferencia el doctor John Ospina Nieto marca un segundo paso en su avanzada por la dignificación social dándoles visibilidad a todos los que han pasado como invisibles **Del caos emocional a la paz**

interior David Solá, 2016-03-15 Cuando no somos capaces de entender ni de gestionar lo que sentimos nos encontramos en una situación de caos emocional Nuestra capacidad y coherencia entre la razón las emociones y la acción desaparece perdemos el control nos enfermamos sufrimos y hacemos sufrir La paz interior en cambio es más que la ausencia de conflicto o inquietud es el retorno al equilibrio a sentirse completo a la armonía con la vida y todo lo que en ella hay Hay diversas razones por las que podemos llegar a ser víctimas de nuestras propias emociones Pero hay un camino fácil y seguro que disuelve el caos emocional sana nuestro interior y nos devuelve la paz perdida transformándonos en la persona que realmente podemos ser A través de los diferentes capítulos el lector puede encontrar e identificar numerosos trastornos emocionales con ejemplos de casos resueltos junto con una metodología sencilla de aplicar y eficaz para todos los casos When we are not able to understand or manage what we feel we are in emotional chaos Our capacity for reason emotion and action disappears our interior coherence disappears and we lose control get sick suffer and make others suffer On the other hand inner peace is more than just the absence of conflict or concern it is the return to balance to feeling complete to harmony with life and everything in it There are various reasons why we can become victims of our own emotions But there is a safe and easy path that dissolves the emotional chaos heals our hearts and brings the lost peace back to us allowing us to become the person that we can really be Various chapters describe many emotional disorders with examples of cases solved and provide the reader with a methodology that is easy to apply and effective **Mi hijo es hiperactivo** Alcides Caicedo, Martha

Navarrete, 2012-08-01 Este no es un libro para leer es un libro para vivir No se trata de un texto lleno de terminología incomprendible ni de una obra superficial plena de lugares comunes es más bien el resultado de unir el conocimiento científico de los profesionales que trabajan e investigan sobre el tema con la experiencia práctica de quienes a diario entran el trastorno por déficit de atención e hiperactividad TDAH porque conviven con niños que lo padecen Dirigido originalmente a padres y maestros termina siendo una obra de suma utilidad para todos aquellos que tienen algún contacto con este

intrigante enigmático y cada vez más frecuente trastorno Mi hijo es hiperactivo es un completo manual que sirve de guía a todo aquel que deba relacionarse con niños y adolescentes que presentan hiperactividad impulsividad y desatención Los autores saben que es un asunto difícil y complejo para todos por eso se han preocupado por tratar los puntos claves sobre este trastorno de qué se trata bases biológicas y tratamiento los aspectos prácticos de cómo enfrentar los distintos problemas que encaran los padres y las sugerencias para los educadores que trabajan con ellos **SÚPER INTELIGENCIA**

EMOCIONAL PABLO NACHTIGALL, 2023-07-01 Qué podemos aprender de varios de los superhéroes más queridos y reconocidos de todos los tiempos Qué tienen en común la inteligencia emocional y varios de los personajes favoritos de la cultura popular En este nuevo libro del psicólogo y conferencista argentino Pablo Nachtigall autor de Inteligencia emocional en el amor los lectores de Intermedio podrán emprender un fascinante viaje por 10 lecciones de inteligencia emocional a la luz de distintos personajes de los universos de Marvel y DC Cómics para sacar al héroe que todos llevamos dentro En cada una de las lecciones se reflexiona sobre las principales cualidades de cada superhéroe pero también se analiza su lado oscuro ese que todos tememos reconocer y modificar pero que con ayuda de la psicología y la inteligencia emocional se puede usar a nuestro favor **Tus hijos sí importan** Juan Varela Álvarez, 2019-06-30 Después de escribir Tu matrimonio sí importa y Tu

identidad sí importa era una asignatura pendiente seguir con la saga y publicar Tus hijos sí importan completando así una trilogía donde trabajamos el matrimonio el crucial papel del hombre y la crianza de los hijos Probablemente este sea el libro más importante de esta serie pues nuestros hijos no solo constituyen el reemplazo generacional natural sino que debido a la educación recibida también serán para las futuras generaciones transmisores de la fe o lamentablemente transmisores de los valores de una sociedad depravada en muchos aspectos Aquí radica la enorme responsabilidad de conseguir educar a nuestros hijos en los valores que emanan de la Palabra de Dios para que no sean arrastrados por la corriente de una sociedad líquida con la que nos toca competir El libro se estructura en tres partes principales RECIBIENDO enfatiza la importancia de la paternidad en su aporte heterosexual complementario así como los distintos modelos de familia existentes MODELANDO explica el desarrollo evolutivo de nuestros hijos hasta la llegada de la pubertad y la adolescencia y expone las claves de una educación integral que combine autoridad normas y disciplina con afecto afirmación y atención así como resaltar la necesidad de una educación sexual equilibrada ENVIANDO expone la importancia de vivir la espiritualidad en familia conocer las fuentes principales del suministro afectivo de nuestros hijos y valorar cuál es el mejor legado y la mayor herencia que podemos dejarles La idea principal en esta estructura planteada es mentalizar a los padres de que los hijos no son nuestra propiedad son regalos y encargos divinos que recibimos de Dios con la responsabilidad de modelar y consolidar principios de educación y formación en valores que constituyan una lanzadera sólida para enviarlos a un mundo hostil equipados con las herramientas adecuadas Lo siento, te amo David Sola, 2011-10-11 Lo siento te amo es una guía práctica extraída fundamentalmente de la experiencia y de aquellos principios universales aparentemente ignorados capaces de inspirar en

cada uno el propio descubrimiento de su liberación interior y el desarrollo de su potencial en todos los aspectos de su vida. Cuando el amor creativo actúa transforma a las personas y sus circunstancias afectando positivamente todo aquello que se encuentra en su realidad. La acción del amor creativo siempre parte de la responsabilidad sobre uno mismo y sobre todo aquello que se relaciona con lo que se encuentra en su consciencia ocupando el lugar de cualquier otra energía que sostiene una realidad determinada para transformarla. Entonces ocurren sucesos a los que llamamos milagros.

CRianza 3.0 DIEGO A. SANTOS, 2023-05-01 De lunes a domingo desde que Vanessa de la Torre su esposa lo despierta antes de las 5 a.m. para que saque a los perros a dar su necesaria vuelta al rol de siempre el periodista Diego Santos reconstruye las peripecias, experiencias y anécdotas, unas divertidas, otras no tanto pero bien llevadas por su astucia como papá en torno a su vida en familia y en especial a la difícil tarea de la crianza de sus dos hijas Raquel y Carlota. Si bien son dos niñas que apenas están por comenzar su adolescencia han sumergido a este par de esposos en complejas situaciones y dilemas producto de la sociedad digital en la que han crecido y por la cual hoy su padre es altamente reconocido primero como columnista de EL TIEMPO enfocado en su tema obsesivo por sí las dudas es la tecnología y como microinfluenciador de redes sociales en especial de Instagram en donde su arroba [diegosantoscaballero](#) tiene una gran comunidad de 67 200 seguidores.

Educar Sin Maltratar Book Review: Unveiling the Power of Words

In a global driven by information and connectivity, the ability of words has become more evident than ever. They have the capability to inspire, provoke, and ignite change. Such is the essence of the book **Educar Sin Maltratar**, a literary masterpiece that delves deep to the significance of words and their effect on our lives. Written by a renowned author, this captivating work takes readers on a transformative journey, unraveling the secrets and potential behind every word. In this review, we shall explore the book's key themes, examine its writing style, and analyze its overall effect on readers.
