Adapting King Lear for the Stage Lynne Bradley, 2016-03-16 Questioning whether the impulse to adapt Shakespeare has changed over time Lynne Bradley argues for restoring a sense of historicity to the study of adaptation Bradley compares Nahum Tate's History of King Lear 1681 adaptations by David Garrick in the mid eighteenth century and nineteenth century Shakespeare burlesques to twentieth century theatrical rewritings of King Lear and suggests latter day adaptations should be viewed as a unique genre that allows playwrights to express modern subject positions with regard to their literary

heritage while also participating in broader debates about art and society In identifying and relocating different adaptive gestures within this historical framework Bradley explores the link between the critical and the creative in the history of Shakespearean adaptation Focusing on works such as Gordon Bottomley's *King Lear's Wife* 1913 Edward Bond's *Lear* 1971 Howard Barker's *Seven Lears* 1989 and the Women's Theatre Group's *Lear's Daughters* 1987 Bradley theorizes that modern rewritings of Shakespeare constitute a new type of textual interaction based on a simultaneous double gesture of collaboration and rejection She suggests that this new interaction provides constituent groups such as the feminist collective who wrote *Lear's Daughters* a strategy to acknowledge their debt to Shakespeare while writing against the traditional and negative representations of femininity they see reflected in his plays *Theatre of Conscience* 1939-53 Peter Billingham, 2013-12-16 *Theatres of Conscience* offers an invaluable and essential insight into four touring British theatre companies whose work and contributions to post war British theatre have largely gone unnoticed Combining a rigorous scholarly evaluation of their work and their broadly ideological and ethical contribution to wider post war developments in British theatre Peter Billingham offers the reader a unique insight into four companies which motivated by enthusiasm principles and creative innovation sought to take the theatre of conscience to theatre less communities in wartime Britain and during the following decade Contemporaries of amongst others Joan Littlewood's Theatre Workshop the Pilgrim Players the Adelphi Players the Compass Players and the Century Theatre represent a significant but rather overlooked phase in the development of twentieth century British theatre Recording Women Geraldine Cousin, 2000 Documents the work of three leading feminist theatre companies through a combination of interviews with theatre practitioners and detailed descriptions of productions in performance Back cover **Who Keeps the Score on the London Stages?** Kalina Stefanova, 2013-12-19 How does one become a theater critic in London What do the theater critics think of their profession How are they judged by those they critique What do both critics and theatre makers think of their mutual object of desire the British Theatre *Who Keeps the Score on the London Stages* sets out to find the answers to these questions and many more in this long overdue publication on Britain's current theatre scene Included are comprehensive interviews with more than fifty major London theatre critics and theater makers including Sir Alan Ayckbourn Stephen Berkoff Michael Billington Martin Coveney Nicholas de Jongh Sir Richard Eyre Sir Peter Hall Sir Cameron Mackintosh Adrian Noble Sir Trevor Nunn and Irving Wardle The author has gathered together a lively discussion about the contrmporary state of the British theatre drawing a picture of its strengths weaknesses and the problems it faces today This volume serves as a long overdue guide to the Theatre critics profession in Britain **Jacques Lecoq and the British Theatre** Franc Chamberlain, Ralph Yarrow, 2013-07-04 Jacques Lecoq and the British Theatre brings together the first collection of essays in English to focus on Lecoq's school of mime and physical theatre For four decades at his school in Paris Jacques Lecoq trained performers from all over the world and effected a quiet evolution in the theatre The work of such highly successful Lecoq graduates as Theatre de Complicite The

Winter's Tale with the Royal Shakespeare Company and The Visit The Street of Crocodiles and The Caucasian Chalk Circle with the Royal National Theatre has brought Lecoq's work to the attention of mainstream critics and audiences in Britain Yet Complicite is just the tip of the Iceberg The contributors to this volume most of them engaged in applying Lecoq's work chart some of the diverse ways in which it has had an impact on our conceptions of mime physical theatre actor training devising street theatre and interculturalism This lively even provocative collection of essays focuses academic debate and raises awareness of the impact of Lecoq's work in Britain today
