Eden On Their Minds:

Eden's Legacy Gabriel Deeds, 2004 Eden's Legacy is your birthright You may not want it but it's yours anyway Until you finally accept responsibility for your own destiny you won't find any kind of peace in this existence There can only be chaos suffering and worst of all boredom until at last you become aware of the conflict that is your life and our world Where do we start How do we begin What the hell is he talking about I am talking about you This whole book is about you and the rest of your life Read it and weep for a life wasted squandered For a life of drudgery and boredom spent scratching for just enough to make ends meet that can never bring you any measure of real happiness Most of us are just waiting to die The good news is that it's never too late providing you have the intelligence and the guts Have you got what it takes The only way to a better future is to build it your Self *Empires of the Mind* Robert Gildea, 2019-02-28 Prize winning historian Robert Gildea dissects the legacy of empire for the former colonial powers and their subjects *There is a Garden in the Mind* Paul A.
