Edgar Cayce Handbook:

Edgar Cayce Handbook H. Reilly, R. Brod, 1981-11-15 *The Edgar Cayce Handbook for Creating Your Future* Mark Thurston, PhD, Christopher Fazel, 1992-05-23 This remarkable handbook presents Cayce's twenty-four spiritual keys which unlock the doors of self-understanding. They operate like formulas that teach us about the mysteries of living and are evident to anyone who is willing and able to look closely at life. As you will see, these principles can be applied to every situation and you can begin to use them instantly in your everyday life. Everything Happens for a Reason. You Have a Purpose in Life. Love Means Honoring the Other Person's Free Will. Every Crisis Is an Opportunity for a Breakthrough and many more. Filled with inspiring counsel, this is a truly accessible guide to the universal principles that govern the grand game of life. It can enable you to become a more creative, productive and joyful person, a true co-creator with your higher power. **Edgar Cayce Handbook** Harold J. Reilly, Ruth Hagy Brod, 1983-01-15 *The Edgar Cayce Handbook for Health Through Drugless Therapy*, 1977 *Edgar Cayce's Famous Black Book* Edgar Cayce, 2018-08-01 Imagine being able to ask the sleeping Edgar a question on almost any topic. Thumbing through his famous black book is like stepping back into Cayce's time to gain wisdom straight from the source of universal consciousness that he was known to access. For decades, the Cayce readings have stood the test of time, research and extensive study. Most of the readings dealt with physical health, but countless other topics were explored and included in this volume: dreams, intuition, ancient civilizations, meditation, karma, and grace, reincarnation, and much more. **The Practical Psychic Self-Defense Handbook** Robert Bruce, 2011-03-01 Is everything that goes on in your mind really you? Perhaps not, says Australian psychic researcher Robert Bruce. Drawing on more than two decades of firsthand research and experience, Bruce reports that our minds are subject to influences from many unseen spiritual sources. Some of these can influence how we think, feel, act, and even how our bodies function. They can make us unhappy, irritable, confused, sick, unstable, even crazy. This is why we need practical tools and countermeasures for psychic self-defense, all of which Bruce provides. This is the ultimate guide to combating the influences of earthbound spirits, deranged ghosts, astral snakes, and spiders, demonic spirits, and poltergeists. This is a highly anecdotal and comprehensive practical guide to the dark side of the psychic universe. *Edgar Cayce Guide to Gemstones, Minerals, Metals, and More* Shelley Kaehr, 2005-10 The psychic readings of Edgar Cayce contained insightful information about the properties and value of a variety of gems, stones, minerals, and other elements. Author Shelley Kaehr, Ph.D., whose own background included the study of gemstones, examines this material by delving into the history and makeup of these magical substances so often mentioned by Cayce. In her book, Kaehr shares with us the wonders of the mineral kingdom and how and why each stone or mineral is different and reacts differently to various people. Includes an intuitive self-discovery process to finding out which of these powerful minerals works best for you. **Edgar Cayce: The "Sleeping" Medium & Spiritual Discernment** John Weldon, 2013-02-09 Edgar Cayce, 1877-1945, was one of the most famous trance mediums in the world and the best known

psychic in America's history Not commonly placed under those occult classifications he is commonly referred to in a more soothing category as the sleeping prophet Through entering a self induced hypnotic trance he produced over 14300 health and spiritual Readings one of the largest psychic libraries in history allegedly from his unconscious mind and or the supposed akashic records Uniquely he may be considered the spiritual father of both the modern New Age movement and contemporary holistic medicine His influence has extended to millions of people This book takes a critical look at the life readings and health spiritual impact of Edgar Cayce It illustrates the timely warning of the old adage that the road to hell may be paved with perfectly good intentions and how benevolent concepts such as improved health and spirituality may indeed become the devil's playground Ironically this is the very thing Cayce himself had worried about in reference to the Readings

Edgar Cayce's Twelve Lessons in Personal Spirituality Kevin J. Todeschi, 2010-07-18 For years Edgar Cayce, the most documented psychic of all time, provided a small group of individuals with lessons in soul growth and personal transformation. This volume presents a new look at those major principles. From the first lesson on cooperation through others on ideals, patience, oneness, and love, this book provides specific tools for personal and spiritual development. The Cayce information suggests that each individual has a definite purpose for living. There is also the promise that with a spiritual intent we can come to understand that purpose. We are all here for a reason, a reason that joins us in search of a common heritage. Presented here are insights for awakening to our spiritual nature and to an awareness of the purpose of the soul. Edgar Cayce's Twelve Lessons in Personal Spirituality is designed as a tool for personal reflection, as a handbook for small group discussion, and even as a source of encouragement during those moments when the challenges of life seem more overwhelming than the beauty of it. For though we may be separated by language or religion, or customs or race, or even vast distances, we all share the earth as our temporal home; we are all Children of the same God, and we are all seekers along the way.
