Mother of Eden Chris Beckett, 2015-05-12 We speak of a mother s love but we forget her power Civilization has come to the alien sunless planet its inhabitants call Eden Just a few generations ago the planet s five hundred inhabitants huddled together in the light and warmth of the Forest s lantern trees afraid to venture out into the cold darkness around them Now humanity has spread across Eden and two kingdoms have emerged Both are sustained by violence and dominated by men and both claim to be the favored children of Gela the woman who came to Eden long ago on a boat that could cross the stars and became the mother of them all When young Starlight Brooking meets a handsome and powerful man from across Worldpool she believes he will offer an outlet for her ambition and energy But she has no inkling that she will become a stand in for Gela herself and wear Gela s fabled ring on her own finger or that in this role powerful and powerless all at once she will try to change the course of Eden s history

Eden's Edge T. Bradford Hurdle, 2014-05-16 June 5th 1951 it is a

warm summer morning in the quiet little town of Edens Edge North Carolina and Lisanne Walters has just stumbled upon the mutilated body of Jared Michaels A member of one of the most prominent families in town the victim seemingly has no enemies But if that was true why would someone torture him and dump his naked body in the middle of Town Square That is one of the many questions SBI Detective Donovan Wolf intends to answer during his stay in this quaint town As he investigates he quickly learns that things are not exactly as they seem The town is shrouded in secrecy and steeped in religious fanaticism While there is no shortage of suspects there is only circumstantial evidence To make matters worse the townspeople seem more intent on gossip than finding the killer As he deals with false leads and hidden threats from the murderer Wolf struggles to make sense of the evidence and fight against his own self doubt Will he ever find the evidence he needs to bring Jareds killer to justice or will this murder become just another unsolved case When Wolf finally comes face to face with the killer he begins the fight of his life If he wins the killer will be brought to justice and Jared will be vindicated If he loses he will become the killers second victim and the truth will die with him *Satan Vs. Dempsey,2021-05-12 The Secrets of Eden s Dam by K L Dempsey might be his finest and most personal novel to date It s everything you d expect from the author of The Unholy Vengeance and The Vanishing Pharmacist richly developed characters that allow the reader to be entertained by a mixture of suspense action and education of medical issues The novel begins with Doctor Graham Harding returning to his hometown of Eden s Dam Once a thriving location where the governor of the state would make special trips to purchase the town s twelve different German sausages along with its outstanding pastries it was now just another of the many ghost towns that made up North Dakota with their local mysteries and oddities

Today Graham looked across the flowing Sheyenne River at the house that still stood where his best friend's sister Victoria Hanson had been murdered. He had walked inside that house now for the last twenty years visualizing her last moments as she had fought for her life against a man who had left but a single clue: a man's expensive cologne with its fragrance on her body and clothes. Harding had made a joint promise with his best friend that they would find the killer and bring him to justice. Now his friend, now dead, leaves the promise still unfilled in the hands of Graham. With the redemptive power that comes from determination, Graham intends to keep his promise.

Eden's Dam is a story about promises made and promises kept with a blend of love and tenderness mixed in.

A Genesis Journal Stanley V. Udd, 2015-03-04 This book is based on a solid commitment to the truth of God's revelation. We would not know how this world came into being unless God had told us. The sequence of events would remain a mystery without an accurate record of Creation. This book is a retelling of what God has said concerning our creation. The global nature of the first eleven chapters of Genesis reminds us of our insignificance but on the other hand the interaction of God with man reflects His assessment of our importance. We are made in God's image and that is of great significance. The physical evidence for a cataclysmic destruction somewhere in the earth's history is evident in the rocks and fossils. The biblical record explains the reason, the cause, the duration and the recovery from this great flood. The record of that year supplies answers to a host of geological questions that would otherwise remain hidden. Likewise the anthropological insight the Babel event supplies is unparalleled in history. God's Word gives us answers to questions we didn't even know to ask. Finally regarding our salvation, Genesis 12 provides us with the document signed by God that is the basis for our redemption. How do we participate in so great a salvation? Read and see.

The Genesis of Perfection Gary A. Anderson, 2002-04-15 A careful examination of the earliest biblical interpretations of Genesis considers such topics as human destiny, the Creation, sexuality, sin and forgiveness from the perspectives of both Judaism and Christianity.
