## Education And The Good Life:

Education and the Good Life Bertrand Russell, 1926

**Education and the Good Life** Bertrand Russell, 1926

**Education and the Good Life** Bertrand Russell, 1970-03 The British philosopher's 1926 treatise on the values of intellectual and moral education *Education and the Good Life*, 1926 **Education and the Good Society** F.

Inglis, 2004-03-31 The many public debates launched by governments on education such as Tony Blair's emphasis on education education education have nonetheless failed to consider the place of the good society in educational endeavour The traditional account of education is that it not only teaches pupils the skills to earn a living but also teaches a concern for the welfare of others a love of the many cultures of learning and a commitment to the best values of society Education and the Good Society seeks to examine these considerations and to restore them to the centre of the educational debate

**Cherishing and the Good Life of Learning** Ruth Cigman, 2018-08-09 What is a good human life A life of duty Virtue Happiness This book weaves a path through traditional answers We live well suggests the author not primarily by pursuing goods for ourselves but by cherishing other people and guiding them towards lives of cherishing We cherish objects too the planet my grandfather's watch and practices like music making to which we are personally drawn In this work of populated philosophy copiously illustrated by literary and real life examples a cherishing life is presented as hard and irreducibly individual The idea of cherishing says the author points towards intimate unreasonable layers of the ethical life as well as the deepening of wisdom and connection It also points towards incomparable satisfactions reminding us who we are and who we want to be The Importance of Education in a Good Life Martha Miller, 1944\*

Education and the Common Good John Gingell, 2013-11-20 Robin Barrow has been one of the leading philosophers of education for more than forty years This book is a critical but appreciative examination of his work by some of the leading philosophers of education at work today with responses from Professor Barrow It will focus on his work on curriculum the analytic tradition in philosophy education and schooling and his use of Greek philosophy to enrich current debates in the subject This work will be of interest to all those who have been influenced by his contributions to educational and philosophical debate *Philosophy of Education: Society and education* Hirst, Paul Heywood Hirst, Patricia White, 1998

**Education, Knowledge and Truth** David Carr, 2003-09-02 In the 1960s educational philosophers showed enormous interest in the nature of knowledge and the curriculum This work responds to the need to reinstate conceptual problems of truth knowledge and the curriculum on the agenda for debate

Liberalism, Communitarianism and Education Patrick Keeney, 2016-05-06 Communitarian thinkers have identified important deficiencies in liberal thought in particular the limits of the account of justice given in liberal theories This book makes transparent for the reader the implications that the liberal account of justice has for our ways of thinking about education Citing the work of John Rawls as the principal expression of contemporary liberal thought Keeney argues that there are certain intractable tensions between the view of the individual given in rights based theories of justice and a certain valuable conception of education which in the West has traditionally been termed a liberal or general education and concludes that ideals of a liberal education are only available to a political ethic which is

capable of articulating a public conception of virtue and the good      A Christian Education in the Virtues James Arthur, 2021-06-24 A Christian Education in the Virtues examines the connection between human nature and human flourishing It draws on ancient and medieval sources to explore the formation of the person based on a Christian anthropology emphasising the communal nature of the virtuous life and provides a richer approach to the question of contemporary character education The book argues that the only way to understand and construct our character virtues is to have a clear picture of what is the purpose and meaning of human life It highlights the importance of engaging with moral issues and makes the case that for Christian educators human flourishing is inseparable from God's active relationship to human beings The book also explores a teleological approach to character education goals To educate the whole person in the light of an all embracing Christian worldview is challenged by secular and liberal ideology and is often seen as irrational to the modern mind Overall the text seeks to demonstrate that many aspects of a Neo Aristotelian Thomist theoretical underpinning for Christian character education holds out a viable option for Christians It therefore argues the case for the educational potential of Christian character education This important book will be essential reading for academics researchers and students in the fields of character and virtue education religious education and the philosophy of education The Open Access version of this book available at [www.taylorfrancis.com/books/oa/mono/10.4324/9781003141877](http://www.taylorfrancis.com/books/oa/mono/10.4324/9781003141877) has been made available under a Creative Commons Attribution Non Commercial No Derivatives 4.0 license      **Religious Education**, 1923 Available on microfilm from University Microfilms
