## **Educational Supervision In Social Work A Task Centered Model For Field Instruction And Staff Development:**

Educational Supervision in Social Work Jonathan Caspi, William J. Reid, 2002-11-21 This book provides a comprehensive examination of instructional supervision and introduces the Task Centered Model for Educational Supervision TCS It begins by reviewing the history of educational supervision in social work and principles of effective teaching practices in the field While theories about the principles and purposes of educational supervision abound it has proven difficult to translate these ideas into a coherent model of supervisory practice Educational Supervision in Social Work answers that need presenting in detail TCS an ordered series of discrete activities that supervisors and supervisees follow during and between supervision meetings Designed to promote the continuous attainment of learning and practice objectives TCS accommodates new models of field instruction addresses common accountability concerns in social work supervision and teaches practitioners how to be self initiating and evaluative Focusing on the practical implementation of TCS Caspi and Reed have included detailed case vignettes throughout the book that provide concrete examples of putting theory into practice Both supervisors of interns and staff as well as supervisees will find TCS a helpful tool in the supervisory process *Strategies for Work with Involuntary*

*Clients* Ronald H. Rooney, Rebecca G. Mirick, 2018-05-01 Often in their careers social workers will encounter clients who are either legally required to attend treatment services or are otherwise coerced or pressured into those services Practitioners in settings from prisons to emergency rooms to nursing homes to child protection agencies will find themselves with involuntary clients In an update to this classic text social workers Ronald H Rooney and Rebecca G Mirick explore the best ways to work with unwilling clients While work with involuntary clients is common it can be challenging frustrating and unproductive unless practitioners are well trained for it This book provides a theoretical framework for understanding the legal ethical and practical concerns when working with involuntary clients offering theory treatment models and specific practice strategies influenced by the best available knowledge Animated by case studies across diverse settings these resources can be used by practitioners to facilitate collaborative effective working relationships with involuntary clients **Social Work Placements**

Mark Doel, 2009-12-04 Placements can be one of the most exciting parts of your social work training but also one of the most daunting This Guide will help you to make the most of your practice learning opportunities The guide highlights how you can make the most of your placement as well as anticipating some of the problem areas and pitfalls to avoid It covers preparing for your placement getting to grips with placement documentation understanding how and what you might learn on placement integrating theory with practice non traditional placements anticipating difficulties and dealing with them getting the best from assessment and evaluation Using a cast of fellow travellers students work based supervisors practice educators and college tutors to illustrate issues raised the Guide is accessible and contains plenty of case studies It is the ideal book for anyone wanting to make sure their placement goes as well as possible whether they are a student or a supervisor The Task-Centred Book Peter Marsh, 2005 Task centred social work is one of the best known and most strongly supported

approaches to social work practice The model fits well with the long standing emphasis in social work on empowerment as well as with more recent pressure for evidence based practice This text is a radical departure from traditional literature on social work methods The main reference point is the voice of practitioners service users and carers as researched and developed by the authors over twenty years Case studies are used throughout the book to build on the experiences of practitioners and the people with whom they have worked and to demonstrate practical skills The Task Centred Book is a core text for both undergraduate social work courses and continuing professional development training as well as being a practical book for the active professional which will support the development and implementation of task centred practice

*The Andragogic Learning Center* Moshe Sonnheim, Shlomit Lehman, 2010 This publication was made possible by the Rector's Fund in support of publications and books, Bar Ilan University, Israel. The Andragogic Learning Center examines an eight-year study at the Bar Ilan School of Social Work, Israel, 1989-1997. The study tested the efficacy of an innovative, community-based teaching approach combining field and class instruction. The efficacy of interaction between teaching and learning style in learning process and context was also examined. More than 400 BSW students participated, divided each year into an experimental group of twelve students learning all three social work methods and two control groups learning two social work methods. A number of hypotheses were tested, utilizing a detailed before-after questionnaire which included a learning style questionnaire. TABS and Middleman's Study Guide for ACSW Certification Exam Role Learning and Andragogy Theories provided a framework for interpreting and understanding the process and results.

**The Transformation of Social Work Education through Virtual Learning** R. Paul Maiden, 2019-09-12 Over the past few years numerous highly ranked Tier 1 universities across the United States have embraced the development of advanced online degrees a niche of secondary education long held by a small group of private for profit universities Rapid advances in online learning technology increasingly sophisticated and easy to use learning management systems and anytime anywhere access has dramatically increase the demand of individuals mostly full time employed working professionals This volume addresses the dramatic changes that are occurring in social work pedagogy as more schools develop online programs The University of Southern California Suzanne Dworak Peck School of Social Work launched their Virtual Academic Center with a cohort of 80 online students The program has now reached a steady state of 2 200 virtual students now representing two

thirds of their MSW student population. Additionally, the school launched a doctorate of social work degree with a focus on leading and managing innovation, leading public discourse, and management of large complex systems. This book essentially tells the USC story with the challenges faced in embracing this new technology, teaching social work courses in an online environment, as well as pedagogical enhancements made by faculty in converting traditional campus-based courses to the virtual environment.

**Field Education: Oxford Bibliographies Online Research Guide** Oxford University

Press, 2010-05-01. This ebook is a selective guide designed to help scholars and students of social work find reliable sources of information by directing them to the best available scholarly materials in whatever form or format they appear: from books, chapters, and journal articles to online archives, electronic data sets, and blogs. Written by a leading international authority on the subject, the ebook provides bibliographic information supported by direct recommendations about which sources to consult and editorial commentary to make it clear how the cited sources are interrelated. A reader will discover, for instance, the most reliable introductions and overviews to the topic and the most important publications on various areas of scholarly interest within this topic. In social work as in other disciplines, researchers at all levels are drowning in potentially useful scholarly information, and this guide has been created as a tool for cutting through that material to find the exact source you need. This ebook is a static version of an article from Oxford Bibliographies Online: Social Work, a dynamic, continuously updated online resource designed to provide authoritative guidance through scholarship and other materials relevant to the study and practice of social work. Oxford Bibliographies Online covers most subject disciplines within the social science and humanities; for more information, visit [www.oxfordjournals.org](http://www.oxfordjournals.org).
