Dixon, 2012-05-08 Let not your true purpose be defined by the organization the system or that you be defined by it Understand the policies and laws that dictate what you should say or do within the boundaries of the system Excel in the practices of your field defining what and how you perform your art and how you shall be known Seek out

people of quality who provide guidance and truly care about your success Yield to prayer maintaining your faith in good and bad times even when things don't make sense knowing your goal is to make a difference Professional educators are now living in an era where there is increased concern about the quality of education in public schools in America States are beginning to take a greater role in monitoring and maintaining higher academic standards Communities across the country are scrutinizing the expense of public education Local school districts are expressing concern about the district's ability to continue providing high quality teaching and other related services with diminishing resources Parents everywhere regardless of ethnicity socioeconomic status or cultural family background want the assurance that their child will receive adequate and appropriate academic preparation that will lead to a productive livelihood for their child's future The intended result of this book is to serve as a guide and inspiration to educators whether they serve in the capacity of a teacher paraprofessional or administrator as they continue their journey in the field of public education especially during these most challenging times America needs every person involved in the education of youth to remain steadfast Each educator makes a difference in the lives of youth America's youth need and are counting on you Student Teaching and the Law Perry A. Zirkel, Zorka Koranxha, 2009-12-16 Student teaching is the key phase in the preparation of the professional instructional personnel of the nation's schools Yet the burgeoning literature of education law lacks a comprehensive and current source specific to student teaching This volume fills that gap The first part of this volume consists of a legal primer designed to provide the basic building blocks that serve as the foundation for the aforementioned common core The second and central part includes an illustrative synthesis of the various state laws specific to student teaching and canvasses the available court decisions specifically concerning student teachers and student teaching The final part consists of a variety of useful materials in the form of appendices including charts of relevant statutes and case law selected case scenarios for the purpose of review and discussion a glossary of acronyms abbreviations and legal terms and a sampler list of relevant resources **State Education Journal Index and Educators' Guide to Periodicals Research Strategies**, 2003 An index of state education journals Resources in Education, 1998 **The Cumulative Book Index**, 1913
