## **El Fin De La Aventura the End Of The Affair:**

**El fin de la aventura** Graham Greene, 1985      *Graham Greene's Narrative in Spain* Mónica Olivares Leyva, 2015-10-13

This volume provides a detailed description of the literary contact between Graham Greene and Franco's Spain. Part I describes the most significant political events that affected the Spanish book industry under this regime with the first chapter offering an account of the methods of control created to exercise authoritative influence over the cultural scene. Part II explores critical studies of Greene's artistic output in Franco's Spain and the second chapter investigates literary critics' evaluations of the author as published in the national press magazines and journals as well as in the prologues, introductions and prefaces to his books. Parts III and IV study the role played by the book industry in the reception of the writer in Spain as well as the obstacles it faced at the censorship office. Accordingly, chapters three to six provide the names of the publishers and booksellers who attempted to disseminate his work throughout the country. Using the censorship files, these chapters measure with great precision publishers' interest in Greene's works and establish the power Franco's censorship wielded over the reception of his literature in Spain. The final section of the book brings together a number of significant conclusions developed throughout this study. As such, *Graham Greene's Narrative in Spain* provides the reader with a comprehensive overview of the roles played by national literary criticism and the book industry in the reception of the author's works in Franco's Spain as well as of the influence exerted by the regime throughout the whole publishing process.      **El fin de la**

**aventura** Graham Greene, 1992      *El final del affaire* Graham Greene, 2019-06-08

En 1946 en un Londres en el que todavía se perciben las heridas de la guerra Maurice Bendrix se encuentra por casualidad con el diplomático Henry Miles a quien no ve desde hace un tiempo. Henry está casado con Sarah con quien Maurice ha tenido un affaire durante la guerra. Cuando Henry le confiesa que sospecha que Sarah le es infiel, ser Maurice empujado por la curiosidad y los celos, ¿quién decide contratar a un detective privado para averiguar la verdad? El final del affaire es la mejor novela de Greene y también una de las más autobiográficas. Su metódica indagación sobre las luces y sombras de una relación sentimental sobre los mecanismos del deseo y de la fe y sobre los estrechos vínculos entre el amor y el odio conserva hoy la misma fuerza que cuando fue publicada en 1951. Traducido de nuevo por Eduardo Jordá. El final del affaire es sin duda uno de los grandes libros del siglo XX. Conmueve a todo lector sensible por la eficacia de su estilo y la delicadeza de su construcción. Sarah es el mejor personaje femenino de toda su obra. Mario Vargas Llosa. Para brindar por un maestro indiscutible y su novela más representativa. José María Guelbenzu. Babelia. Una de las novelas más auténticas y conmovedoras de mi tiempo. William Faulkner. He leído El final del affaire de una forma compulsiva sin poder parar hasta la última línea. Más que una conclusión racional, lo que me queda del libro de Greene es la sensación de frustración por la fragilidad del amor, la fugacidad de los momentos felices y la crueldad del destino. Pedro García Cuatrecasas. ABC. Una de sus novelas más refinadas y a la vez sinuosas. Una novela deliciosa, sutil que nos lleva y nos trae por el sendero de los equívocos que es un documento sobre los mecanismos del amor y del deseo. Antón
