*Water's Edge* Monica White, 2021-07-22 Every day is normal and predictable Anybody that knows me can tell you my exact movements For example the coffee shop Always the same chocolate raspberry muffin and a large hot white chocolate mocha These women know me so well that it is ready when I reach the counter

Dreams are the windows to our future but my dreams are of the unreal and unnatural dragons evil darkness and pure white magic But one day everything will change It was not planned and it was not predicted it just happened His name was Derek with his huge but protective body and the type of eyes that could see all the way down to your deepest and darkest thoughts while caressing your soul What we would never believe to be real has happened The darkness wants me and I have no way to fight it or at least that is what I had thought He will protect me and bring out my inner magic that has been waiting for the right person A lost soul has been found a battle will be fought but what will become of me and how will I continue on I have found my light and my purpose but in the end will it be enough to win the battle between light and dark
