Bailey, 2020-03-05 This book guides language teachers in planning and teaching activities that promote the development of speaking and listening skills at all levels of target language proficiency for teachers of any modern language Kathleen M Bailey draws on her extensive experience as a language teacher

educator and language learner to interweave practical activities with the research and theory that support their use. Activities include the use of pictures, songs, drama, techniques, tasks, and projects to promote the development of speaking and listening skills. The author shares reflections of her own and encourages readers to reflect on their own experiences and become aware of their existing mental constructs through multiple reflection tasks and discussion questions. Each chapter provides focusing questions. The systematic chapter structure scaffolds the readers' understanding of the concepts explored, which include communication strategies, interactive and non-interactive listening, speaking, anxiety, accentedness, and intelligibility, and much more. Through its companion website, this book provides access to resources that enable readers to continue their own professional development as teachers of listening and speaking in second and foreign language contexts.

Alfred's Essentials of Jazz Theory, Teacher's Answer Key Shelly Berg, 2006-10. Alfred's Essentials of Jazz Theory is designed for jazz enthusiasts and musicians who want to learn jazz concepts and terminology. To get the most out of this course, it is recommended that you have a good understanding of basic theory such as the lessons in Books 1-3 of Alfred's Essentials of Music Theory. The book contains lessons with both written and music reading exercises, and ear training and listening are addressed through the included CDs. Each unit is complete with a review section. Playing and/or singing along with each example is encouraged throughout the book. The Teacher's Answer Key includes answers to each lesson in the student book as well as the 3 listening and ear training CDs. Master jazz with ease using this complete course.
