Elements Of Style

William Strunk

Elements Of Style:

The Elements of Style William Strunk, 2012-04-04 This is the book that generations of writers have relied upon for timeless advice on grammar diction syntax and other essentials In concise terms it identifies the principal requirements of proper style and common errors

THE ELEMENTS OF STYLE William Strunk, 2021-01-08 The Elements of Style is a study guide for the development of writing style by William Strunk Jr a professor of English at Cornell University It was later finished by his student Elwyn Brooks White Now it is commonly known as the study guide by Strunk and White In short this book is for someone who wants to become a writer The Elements of Style is some kind of examples collection of all kinds of styles of writing very different works It comprises eight elementary rules of usage ten elementary principles of composition a few matters of form a list of 49 words and expressions commonly misused and a list of 57 words often misspelled

The Elements of Style E. B. White, William Strunk, 2023-12-05 The fourth edition of the timeless composition guide including an introduction by E B White and a foreword by Roger Angell First published in 1919 as a primer for Cornell University students The Elements of Style became a renowned reference for writers of all kinds With a straightforward manner that exemplifies its own advice this succinct book covers everything from tips on proper comma usage to the principles of effective communication The manual also includes lists of common errors to avoid making it an indispensable asset for anyone seeking to write clear correct and engaging prose Later reissued with revisions an introduction and a chapter on writing by E B White The Elements of Style is now in its fourth edition and features a foreword by White s stepson the essayist Roger Angell

The Elements of Style, Fourth Edition E. B. White, William Strunk, 2021-01-14 The Elements of Style 1918 by William Strunk Jr is an American English writing style guide It is the best known most influential prescriptive treatment of English grammar and usage and often is required reading and usage in U S high school and university composition classes This edition of The Elements of Style details eight elementary rules of usage ten elementary principles of composition a few matters of form and a list of commonly misused words and expressions

The Elements of Style William Strunk, Jr., E. B. White, 1972

The Elements of Style William Strunk, Jr., 2014-11-17 This book aims to give in brief space the principal requirements of plain English style It aims to lighten the task of instructor and student by concentrating attention in Chapters II and III on a few essentials the rules of usage and principles of composition most commonly violated In accordance with this plan it lays down three rules for the use of the comma instead of a score or more and one for the use of the semicolon in the belief that these four rules provide for all the internal punctuation that is required by nineteen sentences out of twenty Similarly it gives in Chapter III only those principles of the paragraph and the sentence which are of the widest application The book thus covers only a small portion of the field of English style The experience of its writer has been that once past the essentials students profit most by individual instruction based on the problems of their own work and that each instructor has his own body of theory which he may prefer to that offered by any textbook The numbers of the sections may

be used as references in correcting manuscript The writer s colleagues in the Department of English in Cornell University have greatly helped him in the preparation of his manuscript Mr George McLane Wood has kindly consented to the inclusion under Rule 10 of some material from his Suggestions to Authors The following books are recommended for reference or further study in connection with Chapters II and IV F Howard Collins Author and Printer Henry Frowde Chicago University Press Manual of Style T L De Vinne Correct Composition The Century Company Horace Hart Rules for Compositors and Printers Oxford University Press George McLane Wood Extracts from the Style Book of the Government Printing Office United States Geological Survey in connection with Chapters III and V The King s English Oxford University Press Sir Arthur Quiller Couch The Art of Writing Putnam especially the chapter Interlude on Jargon George McLane Wood Suggestions to Authors United States Geological Survey John Lesslie Hall English Usage Scott Foresman and Co James P Kelley Workmanship in Words Little Brown and Co In these will be found full discussions of many points here briefly treated and an abundant store of illustrations to supplement those given in this book It is an old observation that the best writers sometimes disregard the rules of rhetoric When they do so however the reader will usually find in the sentence some compensating merit attained at the cost of the violation Unless he is certain of doing as well he will probably do best to follow the rules After he has learned by their guidance to write plain English adequate for everyday uses let him look for the secrets of style to the study of the masters of literature

The Elements of Style Illustrated William Strunk Jr.,2020-11-02 The Elements of Style is an American English writing style guide in numerous editions The original was composed by William Strunk Jr in 1918 and published by Harcourt in 1920 comprising eight elementary rules of usage ten elementary principles of composition a few matters of form a list of 49 words and expressions commonly misused and a list of 57 words often misspelled E B White greatly enlarged and revised the book for publication by Macmillan in 1959 That was the first edition of the so called Strunk White which Time named in 2011 as one of the 100 best and most influential books written in English since 1923 *The Elements of Style* William Strunk,1959 Offers advice on improving writing skills and promoting a style marked by simplicity orderliness and sincerity [The Elements of Style](#) William Strunk,E. B. White,2018-06-06 The Classic The Elements of Style by William Strunk Jr And E B White The Elements of Style is a prescriptive American English writing style guide in numerous editions The original was composed by William Strunk Jr in 1918 and published by Harcourt in 1920 comprising eight elementary rules of usage ten elementary principles of composition a few matters of form a list of 49 words and expressions commonly misused and a list of 57 words often misspelled E B White greatly enlarged and revised the book for publication by Macmillan in 1959 That was the first edition of the so called Strunk White which Time named in 2011 as one of the 100 best and most influential books written in English since 1923

The Elements of Style William Strunk Jr.,2018-05-11 The Elements of Style William Strunk concentrated on specific questions of usage and the cultivation of good writing with the recommendation Make every word tell hence the 17th principle of composition is the simple instruction Omit needless words

The book was also listed as one of the 100 best and most influential books written in English since 1923 by Time in its 2011 list

The Elements of Style William Strunk, E. B. White, 2015-12-26 A Prescriptive American English Writing Style Guide

The Elements of Style William Strunk Jr And E B White This book aims to give in brief space the principal requirements of plain English style It aims to lighten the task of instructor and student by concentrating attention in Chapters II and III on a few essentials the rules of usage and principles of composition most commonly violated In accordance with this plan it lays down three rules for the use of the comma instead of a score or more and one for the use of the semicolon in the belief that these four rules provide for all the internal punctuation that is required by nineteen sentences out of twenty Similarly it gives in Chapter III only those principles of the paragraph and the sentence which are of the widest application The book thus covers only a small portion of the field of English style The experience of its writer has been that once past the essentials students profit most by individual instruction based on the problems of their own work and that each instructor has his own body of theory which he may prefer to that offered by any textbook The numbers of the sections may be used as references in correcting manuscript The writer's colleagues in the Department of English in Cornell University have greatly helped him in the preparation of his manuscript Mr George McLane Wood has kindly consented to the inclusion under Rule 10 of some material from his Suggestions to Authors The Elements of Style is a prescriptive American English writing style guide in numerous editions The original was composed by William Strunk Jr in 1918 and published by Harcourt in 1920 comprising eight elementary rules of usage ten elementary principles of composition a few matters of form a list of 49 words and expressions commonly misused and a list of 57 words often misspelled E B White much enlarged and revised the book for publication by Macmillan in 1959 That was the first edition of the so called Strunk White which Time named in 2011 one of the 100 best and most influential books written in English since 1923 Cornell University English professor William Strunk Jr wrote The Elements of Style in 1918 and privately published it in 1919 for in house use at the university Harcourt republished it in 52 page format in 1920 Later for publication he and editor Edward A Tenney revised it as The Elements and Practice of Composition 1935 In 1957 at The New Yorker the style guide reached the attention of E B White who had studied writing under Strunk in 1919 but had since forgotten the little book that he described as a forty three page summation of the case for cleanliness accuracy and brevity in the use of English Weeks later White wrote a feature story about Strunk's devotion to lucid English prose

The Elements of Style, Fourth Edition E. B. White, William Strunk, 2021-01-23 The Elements of Style 1918 by William Strunk Jr is an American English writing style guide It is the best known most influential prescriptive treatment of English grammar and usage and often is required reading and usage in U S high school and university composition classes This edition of The Elements of Style details eight elementary rules of usage ten elementary principles of composition a few matters of form and a list of commonly misused words and expressions
