## Eleventh Hour Midi Edition:

**Folk-Songs of the Southern United States** Josiah H. Combs, 2014-07-03 The spirit of balladry is not dead but slowly dying The instincts sentiments and feelings which it represents are indeed as immortal as romance itself but their mode of expression the folksong is fighting with its back to the wall with the odds against it in our introspective age This statement by Josiah Henry Combs is that of a man who grew up among the members of a singing family in one of the last strongholds of the ballad making tradition the Southern Highlands of the United States Combs was born in 1886 in Hazard Kentucky the heart of the mountain feud area a significant background for one who was to take a prominent part in the ballad war of the 1900s Combs s intimate knowledge of folk culture and his grasp of the scholarly literature enabled him to approach the ballad controversy with common sense as well as with some of the heat generated by the dispute Although in the early twentieth century there was probably no more controversy about the nature of the folk and folksong than there is today it was a different kind of controversy Many theories of the origins of folksong current at that time such as the alleged relationship of traditional ballads to primitive poetry did not take into account contemporary evidence Combs said Here as elsewhere I go directly to the folk for much of my information allowing the songs language names customs of the people to help settle the problem of ancestry In brief a conscientious study of the lore of the folk cannot be separated from the folk itself Folk Songs du Midi des tats Unis published as a doctoral dissertation at the University of Paris in 1925 was an introduction to the study of the folksong of the Southern Appalachians together with a selection of folksong texts collected by Combs Folk Songs of the Southern United States the first publication of that work in English is based on the French text and Combs s English draft To this edition is appended an annotated listing of all songs in the Josiah H Combs Collection in the Western Kentucky Folklore Archive at the University of California Los Angeles The appendix also includes the texts of selected songs The aim of this edition is to make the contents of the original volume more readily available in English and to provide an index to the Combs Collection that may be drawn upon by students of folksong The book also offers texts of over fifty songs of British and American origin as sung in the Southern Highlands *A Tatter of Scarlet* Samuel Rutherford Crockett, 1913 *A Tatter of Scarlet: Adventurous Episodes of the Commune in the Midi 1871* S. R. Crockett, 2019-12-17 In *A Tatter of Scarlet* *Adventurous Episodes of the Commune in the Midi 1871* S R Crockett weaves a gripping narrative set against the tumultuous backdrop of the Paris Commune exploring themes of revolution identity and human resilience His prose is rich and evocative effectively capturing the chaotic spirit of the era while employing a vivid almost cinematic style that brings characters and scenes to life The book is framed as a series of adventurous vignettes each interconnected by the shared experience of societal upheaval in the Midi region ultimately contributing to an overarching commentary on the often elusive nature of freedom and the price of radical change S R Crockett a Scottish author deeply influenced by the narratives of social justice and political activism of his time utilizes his literary prowess to delve into the hearts and minds of those

caught in the crossfire of revolution Having lived through his own experiences of social turmoil and witnessing the effects of the Commune Crockett brings authenticity and a sense of immediacy to his characters blending personal insight with historical fact to create compelling storytelling This book is a must read for history enthusiasts and literary scholars alike as it offers a provocative exploration of a pivotal moment in French history through the lens of rich narrative tradition Crockett's work not only deepens our understanding of the Commune but also resonates with contemporary debates about revolution and societal transformation making it an essential addition to any literary collection **Film, Art, New Media: Museum**

**Without Walls?** Angela Dalle Vacche, 2012-06-12 In the footsteps of Andre Bazin this anthology of 15 original essays argues that the photographic origin of twentieth century cinema is anti anthropocentric Well aware that the twentieth century stands out as the only period in history with its own photographic film record for posterity Angela Dalle Vacche has convened international scholars at The Sterling and Francine Clark Art Institute and asked them to rethink the history and theory of the cinema as a new model for the museum of the future By exploring the art historical tropes of face and landscape and key areas of film studies such as early cinema Soviet film theory documentary the avant garde and the newly born genre of the museum film this collection includes detailed discussions of installation art and close analyses of media relations which range from dance to painting to performance art Thanks to the title of Andre Malraux's famous project Film Art New Media Museum Without Walls invites readers to reflect on the museum of the future where twentieth century cinema will play a pivotal role by interrogating the relation between art and science technology and nature from the side of photography in dialogue with digitalization **The Saturday Review**, 1922 *The Saturday Review of Politics, Literature, Science and Art*
