Literature ,1929 *The American School Board Journal* William George Bruce,William Conrad Bruce,1900 **Passion Is**
the Gale Nicole Eustace,2012-12-01 At the outset of the eighteenth century many British Americans accepted the notion that
virtuous sociable feelings occurred primarily among the genteel while sinful and selfish passions remained the reflexive
emotions of the masses from lower class whites to Indians to enslaved Africans Yet by 1776 radicals would propose a new
universal model of human nature that attributed the same feelings and passions to all humankind and made common
emotions the basis of natural rights In *Passion Is the Gale* Nicole Eustace describes the promise and the problems of this
crucial social and political transition by charting changes in emotional expression among countless ordinary men and women
of British America From Pennsylvania newspapers pamphlets sermons correspondence commonplace books and literary texts
Eustace identifies the explicit vocabulary of emotion as a medium of human exchange Alternating between explorations of
particular emotions in daily social interactions and assessments of emotional rhetoric s functions in specific moments of
historical crisis from the Seven Years War to the rise of the patriot movement she makes a convincing case for the pivotal
role of emotion in reshaping power relations and reordering society in the critical decades leading up to the Revolution As
Eustace demonstrates passion was the gale that impelled Anglo Americans forward to declare their independence collectively
at first and then finally as individuals **American Bee Journal** ,1867 Includes summarized reports of many bee keeper
associations **The Select Circulating Library** Adam Waldie,1835 Research in Education ,1974 **Complete**
